Campus Visit

We ask families to visit our campus as part of the admissions process. A personal interview with a member of our Admissions Office is tremendously helpful for everyone involved in this important decision-making process.

When you visit, you will receive a guided tour of our campus grounds and facilities. You will have a chance to ask questions, meet some of the staff who will be working with your son, and form a real impression of what we can (and can't) offer your family in meeting your specific needs.

Directions

Fork Union Military Academy is located in Central Virginia on US Route 15 (James Madison Highway), approximately 17 miles south of the Zion Crossroads interchange (Exit 136) off Interstate 64, about midway between Charlottesville and Richmond.

Overnight lodging can be found locally at the Fork Union Motor Lodge (434-842-3255) located on campus, or in nearby Charlottesville or Richmond.

Evaluation of Applicants

Once we have received the completed application and all necessary forms, and the family has visited our campus for a personal interview, we can begin to evaluate the candidate's appropriateness for admission.

When we have determined that the applicant is the sort of young man who can benefit from and contribute to life at our school, we will notify him and his family of his acceptance for enrollment.

Affordability

We offer an assortment of payment plan options, need based grants, merit scholarships, long-term financing packages, postgraduate athletic scholarships and loans, and financial incentives. If your son is accepted, we will do everything possible to make enrollment affordable.

Non-Discrimination Policy

Fork Union Military Academy accepts qualified applicants regardless of race, religion, or national origin, and does not discriminate unlawfully in the administration of its educational policies, scholarship and loan programs, or other school programs.

Physical Examination Required

The student must have a physical examination prior to reporting, and a record of all immunizations required by the Virginia State Health Department. The necessary form is available in the Download Center on our web site at www.forkunion.com.
