SUMMER SCHOOL ALLOWANCE PROGRAM

The Academy has found it beneficial to establish an allowance program through the Business Office for the convenience and safety of cadets handling their spending money. Funds may be deposited into the student's account by credit card or by sending a check to the Business Office. It is the responsibility of the student to notify you when or if his allowance account is running low. The Academy will neither advance nor lend money to a student. We recommend \$60.00 total which will give him \$15 per week. If you find it necessary to send additional funds, it is **imperative that you write the student's name and number** on the check. We have boys that have the same first *and* last names which can result in funds to being credited to the wrong accounts.

If you have any questions concerning your child's allowance account during the summer session, please call the Business Office at 434-842-4337.
