2 April 2010

Subject: Consent for Blood Donation

Dear Parent/Guardian,

The American Red Cross and Virginia Blood Services conduct a blood drive each year at FUMA. If your son is 17 years of age or older and weighs at least 110 pounds, he is eligible to donate blood. These agencies continue to have an urgent need for blood products and are soliciting potential donors.

Please sign this parental consent form if your son has permission to donate blood for the 2009 - 2010 school year.

Please mail the signed form or FAX to my attention at (434)842-4242. I will also accept your consent vial e-mail, williama@fuma.org.

Thanks for your support!

Al Williamson
LTC, FUMA
Commandant

Permission is granted for my son to donate blood for the 2009 - 2010 school year.
