

**ENROLLMENT FORM FOR FORK UNION MILITARY ACADEMY
ESL RESOURCE PROGRAM**

Fork Union Military Academy offers an ESL Resource Program. If taken for an entire school year it will count as one credit towards graduation. This class is offered to students to expand their English vocabulary and to reinforce the subject or subjects they are currently taking. The ESL Resource Program offers students one period of learning skills instruction in small group sessions of 5-6 students each class day. Experienced faculty members with specific training in the learning skills areas address students' particular needs while developing individual learning plans. The cost is \$1200 per year, but is prorated if a student enrolls at different points in the year.

Students must participate if enrolled in the program, as it is designed to help convert learning ability into academic achievement within our college preparatory curriculum. Candidates should have above average scholastic ability, no accompanying emotional or behavioral conditions, and sincere motivation to advance their academic performance.

The Academy incorporates a separate program for grades 6-8 in the Middle School, and grades 9-12 and post-graduates in the Upper School.
