

## Parent Statement Support

I acknowledge that cooperation between parents/guardians and Fork Union Military Academy is essential to my cadet's potential success. I agree to and expect my son to uphold and support the policies, rules, and regulations of the academy. I agree to cooperate with and support the academy faculty and staff in all matters pertaining to mentoring, discipline and the administration of the military-styled educational program. I appreciate the military culture of the academy and that the uniform is an integral aspect of that culture. I agree to replace unserviceable or lost uniform items.

I will support parade, Extra duty, leave and day pass policies and will respect the scheduled times and dates that are posted for mandatory activities (parades), leaving campus and return. I understand he is to leave and return in the proper uniform and that he will be held accountable for following procedures and for returning on time. I understand that tours, demerits, and probationary status may impact leave and day pass approval, as well as participation in athletic events, and activities.

I recognize the importance of effective communication between parents and the academy staff and will discuss problems or issues with the appropriate person, utilizing the chain of command, beginning with the TAC officer. I will encourage my son to do the same.
