ESCORT SERVICE

Cadets who require “unaccompanied minor” services must be transported to the carrier service by the escort, using Academy “private hire” transportation. Please check with the carrier as the "unaccompanied minor" requirements differ. The cost of escort service for "unaccompanied minors" is an additional \$25.00 per individual, each way, that will be added to the transportation and mileage fees. This fee will be charged to the cadet’s tuition account.

Airlines:

Children who are underage, according to the airlines’ rules, must be escorted to the ticket counter and through security by an adult whose name is provided to the airline by the parent. Per FAA regulation, a designated adult is required to remain at the terminal until the child boards the plane and until the plane takes off from the runway. In addition to the above fees, the airline may charge its own "unaccompanied minor” fee. Please check with the different carriers, as their requirements and fees are not the same.

The parent of the child requiring “unaccompanied minor” services must provide the airline ***advanced notice*** of the name and phone number of the person escorting the minor through the airport and to his flight prior to the purchase of their tickets. The parent must also provide the airline the name and phone number of the individual who is meeting the child at the final destination. This information is needed when the parent contacts the airline to purchase the “unaccompanied minor” service. To coordinate a FUMA private hire driver and received the needed information required by the carrier, please email transportation@fuma.org the anticipated departure/arrival date, time, and location, so that FUMA can schedule your private hire driver information.

Train/Bus:

Amtrak and Greyhound also has additional requirements and/or fees. Please ensure you check with the carrier's requirements prior to purchasing a ticket. Please allow time at each location for completion of required forms and payment of fees.

Please contact us if you have questions or need further information.
