

DRIVER CONSTRUCTION DRIVING SCHOOL

Fork Union Military Academy is pleased to announce that we will be offering a classroom version of driver education for this school year through the **Driver Construction Driving School**. This course, approved by the Division of Motor Vehicles, will be taught by qualified instructors, each possessing a Driver Education endorsement through the Virginia Department of Education and certification through the National Safety Council.

License Process for Students 17 Years of Age and Under:

Teens are eligible to get a Learner's Permit at age 15 years, 6 months. The teen must hold a Learner's Permit for 9 months. A Driver's Education Class and Behind-the-Wheel (actual driving time) must be completed.

If your son is not a Virginia resident, please call your local DMV to see if they will accept this course.

Cost for instruction:

- Classroom instruction: \$250.00
- Behind-the Wheel course: \$250.00

If you are interested in registering your son for this course, contact Ms. Rhonda White, Coordinator of Guidance Services & Driver's Education, by email at whiter@fuma.org or by phone at 434-842-4203. Payment must be made directly to the Driver Construction Driving School. **Notification needs to be received by Friday, February 15, for this spring program.**

Ms. White will be the point of contact for this program at FUMA and will continue to oversee the VADETS (Virginia Driver Education and Traffic Safety) online program. The VADETS program has been offered in previous years and is NOT associated with the Driver Construction Driving School. Students interested in completing a driving course must choose between the two programs being offered.
