OFFICIAL RULES

The FUMA FALL GOLF CLASSIC 2020 is an individual stroke play tournament, using the **Peoria Scoring System**, recorded within the free **18Birdies App**. To qualify you must play and post one (1) Qualified Round at a course of your choosing (par 70 or greater) between FRIDAY, OCTOBER 16TH and SUNDAY, NOVEMBER 22ND, 2020. Scores must be submitted through the 18Birdies App by 11:59p.m. PST on NOVEMBER 22ND, 2020. Specific details regarding Qualified Rounds are outlined within the 18Birdies App.

How does the Peoria Scoring System work?

With the Peoria Scoring Systems, six holes are secretly selected as the scoring holes. Golfers do not know which holes have been selected. Players tee off and complete their rounds, playing stroke play and scoring in the normal fashion.

At the end of the tournament, the six secret holes will be revealed and top performers will be shown on the Individual Stroke - Net leaderboard. This is the leaderboard from which Fork Union's Advancement Office will use the Qualified Round criteria to select a 1st, 2nd, and 3rd place winner. A player's handicap for that round will be calculated based on the score on the six pre-selected holes.

A Peoria handicap is calculated by adding the player's strokes over par on the selected hole and multiplying that number by three. This will be the player's allowance to be deducted from the gross score. The maximum score for each hole for allowance purposes is three over par.

Example:

A player scores 98 for a round. The player is 11 over par on the six selected holes.

$11 \times 3 = 33$ stroke allowance

Net score is $98 - 33 = 65$ Net

Tie Breaker

In the event that there is a tie, the USGA Recommended Method for tiebreakers will be used to determine the winner. If a tie still remains after this method is applied the winner will be selected based first on most birdies in their round, and then if still tied, we'll award the tiebreaker to whoever made birdie first in their round.

Tournament admins reserve the right to contest and/or disqualify any questionable or suspect rounds.

By joining the tournament, participants agree to allow the FUMA ADVANCEMENT OFFICE to use information listed on participant's 18Birdies profile for promotional purposes including, but not limited to, social media posts in the 18Birdies app, Instagram, Twitter, and other social media platforms.
