A FINAL and OFFICIAL transcript will report full credits from the previous academic year (and all grades prior to the previous academic year).

\*If your child has accumulated credits from more than one school, please submit official transcripts from all schools from which he has been awarded high-school credit\*

For new students enrolling in the 2022-2023 academic year, this is necessary to properly assess transfer credits and which courses students will need to take at FUMA in order to remain on pace for graduation.

This is especially important if your previous school operated on a semester-style schedule.
