

Packing List for New & Returning Cadets

All new cadets (boarding and day) will be required to purchase new uniform items. Used items will not be allowed. Fork Union Military Academy takes pride in the fact that the cadet uniforms are well-tailored and properly fitted. In the event an incorrect size is issued, the cadet should return the item to the Supply Center promptly so it can be inspected and replaced. Should a parent have a question concerning the cadet's clothing, do not hesitate to contact the Quartermaster.
