## The Fork Union Military Academy

### Resource Program for One-Subject Plan

The FUMA academic support program incorporates remedial instruction and learning strategies to be successful. This program is designed to provide focused assistance to students with learning differences and students needing additional academic support. Students must participate and be receptive to working towards academic proficiency.

The Resource program runs Tuesday and Thursday and is incorporated into the daily schedule. The course does not conflict nor add to the term subject material. Students will receive specified instruction and additional support to complete course assignments. This time will include remedial instruction of course content, learning strategies (including notetaking, studying, and test-taking strategies) amongst other skills to be successful (i.e., time management, self-accountability, and prioritizing). For students to receive individualized instruction, content teachers are communicated with weekly to further identify any weakness or needs. Students do earn a grade based on work ethic, positive attitude, and attendance. Students are required to attend every Tuesday and Thursday for the registered term.

The goal of the program is to help students successfully prepare to learn and excel in a college-preparatory academic program. Candidates for this program should have a sincere desire to improve their academic performance and the motivation to improve their preparation for the future.

Students interested in enrolling in the program must be accepted for enrollment at the Academy through the normal admissions program, complete the Resource Program Agreement (Page 2), and arrange payment with the Billing Department. Enrollment in the Resource Program is a fee of \$1,500.00 for the school year (\$300 per term) in addition to regular tuition. Specific questions about the program may be addressed to Kelsey Hill (434.872.4272) or [HillK@FUMA.org](mailto:HillK@FUMA.org).

Fork Union Military Academy is a private, military, boarding school affiliated with the Virginia Baptist Assembly and located in Fork Union, VA. The Academy incorporates a program for grades 8-12 that are in one-subject courses. For further information about admission to the Academy, please call 1-800-462-3862 or visit our website, [www.forkunion.com](http://www.forkunion.com).

ENROLLMENT FORM FOR FORK UNION MILITARY ACADEMY

RESOURCE PROGRAM AGREEMENT

Fork Union Military Academy offers a Resource Program designed to help individuals needing academic support. The Resource program offers students one period a day of support in a small group environment on Tuesdays and Thursdays. Students will receive remedial content instruction and additional support to complete course assignments. This time will include remedial instruction of course content, learning strategies (including note-taking strategies, study strategies, and test-taking strategies) amongst other skills to be successful (i.e., time management and prioritizing). Student's content teacher is communicated with weekly to further identify instructional support needed. Students do earn a grade based on work ethic, positive attitude, and attendance. Students must participate when enrolled in the program, as it is designed to support academic achievement within our college-preparatory curriculum.

Communication between parent/guardian and the Resource teacher is encouraged. If there are any questions, concerns, or wanting of updates, please contact the Resource teacher directly.

If you agree to the above course outline, and are enrolling your student in the program, please complete the form below.
